It's Greek to Me - We're all very familiar with improper and becket dances - but there is so much more! Will will call dances in many different formations, in addition to the old familiars. Expand your experience and challenge your brain to think outside the duple improper set.

Roman Around - Angela will lead us in a series of dances that ask us to wander far from our neighbors and partners, but never fear, reunions are assured. Ukulele Jam - Strummin' Sue Stanczyk will lead a strum along and sing along. Bring your uke and join in! If you don't play uke, you can still have a great time singing along to tunes we all know and love.
